

BAD DAY?

Maria had one too.

Day after day,
after day, after day,
after day, after day, after day,
after day, after day, after day, after day,
after day, after day, after day, after day,
after day, after day, after day, after day,
after day, after day, after day, after day,
after day, after day, after day, after day,
after day, after day, after day, after day,
after day, after day, after day, after day,
after day, after day, after day, after day,
after day, after day, after day, after day,
after day, after day, after day, after day,
